Thanks Brett. Looking quickly the revisions don't really change the substance, except the Project permit category 3 description.

I am starting a list of comments and questions on the proposed plan. We can compile with yours as well and have something to walk through with them on monday.

The Nov. 19 document contains small changes throughout which clarify and clean-up some of the draft language.

The attached version showing the changes.

Here is the "official" submittal. Looks roughly the same, although I just glanced at it.

Jane, Mike, and David,

Attached please find the Division's revised UIC Program Review Plan.

I look forward to further discussions next Monday.

Best regards,

Steve
